---

Objective: - I am looking for a career opportunity that will allow me to utilize my training and skills to contribute high-quality work and ideas to an organization. I am seeking an organization that provides opportunities for individual as well as organizational growth.

Educational Qualification:

- In the year 2021, I successfully completed my Matriculation from G.T.B.I.C. with a remarkable score of 90%.
- I am currently enrolled in a two-year Graduate Certificate program in Computer Programming offered by Georgian@ilac Toronto.

HIGHLIGHTS OF QUALIFICATION

- I am proficient in several programming languages such as Java, Python, Javascript, SQL, and PHP.
- I possess a high level of proficiency in web development technologies, particularly in HTML and CSS.
- "I have learned Arduino Uno and have successfully created some projects using it."
- I excel at interpersonal and communication skills.

PROJECTS:

Created some mini projects using css

TEAM PROJECTS

- Created a site in the first semester about selling cameras using HTML, CSS and PHP. LINK- https://polarinfo.azurewebsites.net

-Made a TicTacToe game using java.

Work:

I am currently engaged in part-time employment at a Bakery.

Work Ethics:

- I possess the ability to handle various scenarios with proficiency, working efficiently and consistently. Furthermore, I am keenly invested in streamlining work processes to optimize productivity and achieve better results.
- "Known for being diligent, dependable, and honest, I am a hardworking individual who can be trusted to get the job done."

Interest:

- Gaining knowledge about new programming languages and applying them in the real world.
- I would like to learn about bugs that occur while writing code and how to solve them.

CERTIFICATIONS:

-Accessibility for Ontarians with Disabilities Act
-Health & Safety Awareness
